Re: Mine Status Report

Dear Mr. Hedberg,

Following are the requested reports for the Black Jewell Project, the Allen Claims project, the Brown Sandstone and the Black Hills.

We have repeatedly requested that the following mines be removed from our list. We have not used the Cobble/Sandstone, Navajo Sandstone and TJKSJ Placer for many years. Feller stone never touched the Landscape rock/Gravel – BLM Sale and the lease never happened.

Please let us know what is yet needed to terminate our association with those four claims. We have complied with all that has been requested in the past.

Thank you for your anticipated assistance.

Sincerely,

Janine West  
Feller Stone
